

CHARGE GREEK ARMY WITH KILLING TURKS

Smyrna Troops Reported Mur-
dered—Governor Assaulted

London, July 24. (Correspondence of the Associated Press.)—The Greek army of occupation which landed at Smyrna a few months ago murdered and pillaged the Turks, according to a letter published by Marmaduke Pickthall, a well known writer of eastern affairs. The writer of the letter was described by Mr. Pickthall as "the reliable correspondent" but his identity was not disclosed.

The writer asserts that when the Greek army landed at Smyrna, Turkish troops had been ordered by the Turkish authorities to remain in their barracks and that they did so; but that the Greeks broke into places where Turkish officers were collected and shot down all who would not shout "Long live Venizelos." Many

were thus shot down according to the writer. The writer adds: "The governor of Smyrna was dragged along the wharf and carried aboard a Greek ship. His wife was wounded and his house looted. The Turkish chief of staff was bayoneted in the face and thrown into the hold of the Greek cattle ship among the animals. The senior doctor of the Turkish army corps was murdered and his body mutilated. Fingers of Turkish men and women who wore rings were cut off wholesale. Houses were looted, women robbed of all their jewels."

"This was supposed to be an absolutely peaceful occupation in the interests of law and order. Greece had not even been at war with Turkey. In no case did the Turks show fight until they were attacked by the Greeks. The civilian Greeks joined with the invading soldiery in the work of murder and pillage. And the allied fleet acquiesced in these proceedings, which were made possible only by its presence."

A member of the house of commons recently asked the government representatives whether it was true that the Greeks had massacred their prisoners in Smyrna in full sight of the allied warships. Sir Cecil H. Harmsworth, now secretary of foreign affairs, replied that numerous Turkish officers and men lost their lives in that way but the Greek government, he said, regretted the affair and it was engaging the attention of the British minister to Paris.

PRODUCTIONS CHANGE

American Moving Picture Film Sales
Are Increasing in Mexico and Field
Is Expanding.

Mexico City, Aug. 15 (Correspondence of The Associated Press.)—American moving picture films are increasing in popularity here. Until 18 months ago European pictures were favored by the public, which had acquired a taste for French and Italian productions. Of late, however, American manufacturers have put their products to the fore in the republic and their films are to be found in virtually all picture houses, in many of them displacing altogether the European films.

Evidence that the United States manufacturers intend to expand their field here is found in the fact that within the past few weeks three of the leading companies have established offices in Mexico City and these, in turn, have started branches in Vera Cruz, Guadalajara, San Luis Potosi and Monterey. Representatives of these firms assert that in a short time Mexico will receive film releases almost simultaneously with the United States. This will be an innovation, for heretofore managers have been content to receive films many months old and of a poor quality.

PIONEERS WIN AGAIN

Waterbury Can Add Yesterday's Re-
sult to the 11 o'Clock Toast—Luck
With Victors.

A hard hit ball by Fallon in the eighth inning with two men on bases, that got away from the visitors' shortstop, brought a 4 to 3 victory for the Pioneers over the Waterbury Elks yesterday afternoon. Up to this time the Brass City "Bills" were leading by a one run advantage, and with Cleary going good it looked as if the visitors might annex a victory. In the disastrous inning for the losers, Lynch, the first man up hit a screeching single to center and Noonan was safe on his sacrifice when the Elks' shortstop bungled. Noonan stole second a moment later and scored the winning tally on Fallon's clout. The game was not as interesting as the score would indicate. Harvey, right fielder, pulled down a hard drive starting a double play and Fallon got a ball off Cleary's bat after a run, one handed. Eddie Goeb had a big day with the willow connecting for four hits. Manager Luby tried a new hurler named Palmer, and he managed to get away with a victory for a start. He, however, took too much time between pitches and slowed up the game materially. The score:

Pioneers 00110002x—4 9 2
Elks 000200100—3 7 3
Palmer and Noonan; Cleary and Sengstaeken; umpire, Barber.

BIG WEEK AT SPA.

Grab Bag Stake, a Six-Furlong Event,
Will Be Run Tomorrow.

Saratoga, Aug. 18.—Another big week of racing is on the card at the Saratoga track. Today the Bolton handicap brought out several horses in which great interest is manifest and which have not been to the races in some time. They are Billy Kelly, Star Hampton, Penrose, Motor Cop and War God. Naturalist is top weight with 137 pounds.

The first of the big features of the week, the Grab Bag, a six furlong event for two-year-olds, will be run on Tuesday. The Schuylerville, a five and a half furlong handicap for juveniles, is down for decision on Thursday. Saturday very likely will be another record breaker, with the Grand Union for two-year-olds; the Merchants and Citizens and the Beverwyck Steeple-chase as the major events.

The Grab Bag is an event of the sportsmanlike character of the Saratoga Special in that the nominators go in it blind and race practically for their own money. The Grab Bag became a Saratoga fixture in 1914.

and was taken to a hospital on a motor truck. A special casket, reinforced, has been built for him and he is to be buried in Chicago. Wilson was but 28 years old.
